GRANDMOTHER KNEW

There Was Nothing So Good For Congestion and Colds as Mustard.

But the old-fashioned mustard-plaster burned and blistered while it acted. You can now get the relief and help that mustard plasters gave without the plaster and without the blister.

MUSTEROLE does it. It is a clean, white cintment, made with oil of mustard. It is scientifically prepared, so that it works wonders and yet does not blister the tenderest skin.

Just massage MUSTEROLE in with the finger-tips gently. See how quickly it brings relief—how speedily the pain disappears.
